The Muzrai Commissioner in Mysore.

To

B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

I have the honour to submit herewith copy of letter No.298-27 dated 18th February 1928 from the Deputy Commissioner, Hassan District reporting that feeding in the chattram at Pisle was conducted from 21st November to 8th December 1927 in connection with the Paramazar Santarpane at Subrahmanya and that a sum of Rs.411-8-7 was spent for feeding 1473 pilgrims as against Rs.442-9-10 for feeding 1425 pilgrims during the previous year.

2. The Deputy Commissioner further submits that, as Government have been pleased to direct the continuance of the Paramazar Santarpan at Subrahmanya and as Pisle is situated halfway between Sakleshpur and Subrahmanya and as most pilgrims proceeding to Subrahmanya visit for purification worship if the chattram at Pisle is closed as there are no other resting places on the road, it is very necessary to continue the chattram at Pisle as long as the Paramazar Santarpane is continued.

3. The Chattram at Pisle was established under the authority of Government Order No.875-90/M.F.29-2-10 dated 15th November 1926 and the Hasdik was added on to the Chattram Savings Fund. Though sum of Rs.450/- had been sanctioned in ~~Government~~ Government Order No.848-9/M.F.192-25-10 dated 10th December 1924 for feeding at Pisle Chattram during Shasti season only yet the practice has practically --

lapsed in view of the subsequent Government order of 13th Nov 1926 when it was directed that the chattram should be abolished. Deputy Commissioner should not have incurred the charges for feeding at Bisle, however much he might have desired its continuance, without obtaining the previous orders of Government. In view of the fact -- that the expenditure has already been incurred this year, I beg to -- recommend that the same may be regularised.

4. As I have stated the good reasons for the continuance of the feeding at Bisle and Sakleshpur, I am of opinion that it is not necessary to -- continue the feeding and the issue of rations in the Bisle and Sakleshpur chattrams respectively for 90 days in the year during the Barahazar --- Santharpane season.

Letter No.298/27 dated 16th February 1928 from the Deputy Commissioner, Hassan District to the Muzrai Commissioner in Mysore.

Subject.

The feeding of the pilgrims at Bisle Chattram during the Chempasasti festival at Subramanya in the South Canara District.

I have the honor to state that in connection ~~xx~~ with the abolition of Annachattrams in the state (vide G.O.No.875-90/Muz.89-23-10 dated 13-11-1926) the feeding in the above chattram is about to be discontinued. But the Government having been pleased to direct the continuance of the Parahazar Santarpane at Subramanyam, the feeding at Bisle and Saklespur Annachattrams will have to be continued as Bisle is situated midway between Saklespur and Subramanya. The feeding at the Bisle Chattram is very necessary in view of the fact that there are no other resting places for the pilgrims on their way and further, the Mysore Pilgrims proceeding to Subramanya will be put to much haradship if the Chattram at Bisle is to be closed. Accordingly a recommendation has been sent up ~~xxxx~~ to you office proposing the continuance of the Annachattram at Bisle.

2. The Amildar of Manjarabad Taluk reports that out of Rs.450/- provisionally sanctioned for feeding the pilgrims at Bisle chattram a sum of Rs.411-8-7 has been spent this year for feeding 1472 pilgrims as against Rs.432-9-10 spent for feeding 1425 persons during last year and he further recommends that an allowance of Rs.10/- may be given to Gumasta Anantaiah, Manjarabad Taluk who managed the -- feeding at Bisle very satisfactorily.

In the circumstances, I recommend that a small allowance of at least Rs.5/- may be sanctioned to Gumastha Anantaiah out of the --- savings effected, the balance being refunded to the credit of the institution.

A copy of the report No.Muzrai 3-27 dated 26th December 1927 on the subject received from the Amildar Manjarabad through the Sub Division Officer, Saklespur is enclosed for favour of reference."

Letter No.Muz.C-3-27 dated 26th December 1927 from the Amildar Manjarabad Taluk, to the Deputy Commissioner, Hassan District, - through the Sub Division Officer, Saklespur Sub Division.

I beg to submit that on the occasion of the Parahazar -- Santarpane at Subramanya, the Bisle Chattram was kept open from --

from 21-11-27 to 3-12-27 and the feeding here was condu supervision of Gumasta Anantiah. The total expenditure duri and the number of people fed ur.ng the year as compared with t year are noted below:--

Year.	No. fed.	Expenditure.
1926-27	1425	432- 9- 10
1927-28	1472	411- 8- 7

The whole thing was managed satisfactorily. Almost all the --- pil rims that resorted to Subramanya halted here as the journey is -- tedious and long to be done at one stretch.

A savings of Rs.38-7-5 has been effected out of the sanctioned scale of allotment of Rs.450/-.

A statement showing the actual quantity of food-stuffs spent during the last year is also appended. The accepted tender is enclosed herewith Separate bills showing the expenditure incurred for feeding at this chatti together with vouchers in support thereof are enclosed for kind perusal.

I beg to solicit the favour of kind sanction for the expenditure -- incurred. Gumasta Anantharma who has managed the feeding at Pisle Chatti satisfactorily may be recommended for an allowance of Rs.ten. The ----- connected papers are herewith submitted."

Bisle and Sakleshpur, I am directed to state that in the circumstances reported by you, the expenditure on feeding incurred on this occasion including an allowance of Rs 5/- to the Sumastha, may be sanctioned.

There is no need for continuing feeding at Sakleshpur even during the Shasti season. Whether the position is different in the case of the chattram at Bisle requires to be considered. Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

With reference to your letter No.1940/M.F.292-27-2 dated 24th April 1928 re continuance of feeding arrangements at Bisle, I have the honor to forward herewith copy of letter No.G1.25638-27 dated 12th September 1928 from the Deputy Commissioner, Hassan District, submitting the following proposals.

(i) That the chattram building at Bisle may be maintained as a Muzrai Rest-house with care-taker on Rs.10/- P.M.

(ii) That feeding arrangements during the Champa Shasti season be continued, the expenditure being limited to Rs.350-0-0 as against Rs.450-0-0 provided for previously.

& (iii) That the temple of Sri Anjaneyaswami within the chattram ---- premises be recognized as a Muzrai institution and the present grant of Rs.15/- P.M. be continued permanently.

2. The reports submitted by the Amildar and the Sub Division Officer and the Deputy Commissioner's present communication furnish detailed information on the points raised in your letter under reply. For ---- reasons explained the Deputy Commissioner recommends the continuance of the feeding arrangements at Bisle, the expenditure on the occasion being limited to Rs.350/-.

3. As regards item iii above, the continuance of the nehari ---- allowance of Rs.15/- a month to the Sri Anjaneyaswami within the ---

temple precincts has already been sanctioned in Government order No.1842-3/M.F.290-27-2 dated 14th April 1928. In view of the - Deputy Commissioner's recommendation the grant may be made ----- permanent.

As regards item ii, the Deputy Commissioner while reporting that Bisle is a very small village in the midst of a state Forest and that there are no buildings or other resting place for pilgrims beyond Hethur right up to Subrahmanya Frontier for a distance of nearly 36 miles recommends that the chattram building may be --- maintained as a Muzrai Rest house. The proposal may be sanctioned the pay of the watchman at Rs.10/- and a contingent grant of Re.1/- a month being met from the Chattram Savings Fund.

As regards item i, it seems to me that having regard to the -- fact that feeding at the place is being done from time immemorial, that it is not confined to any particular class of pilgrims, that the arrangements are intended for the convenience of old, infirm and needy travellers who form a large proportion of the pilgrims going to --- Subrahmanya and to whom the quick transit of bus service is not ---- available and that beyond Sakalespur no feeding facilities exist eve on payment, the continuance of the previous arrangement is necessary The chattram was originally endowed with a cash grant of Rs.1044-0-0 and in the revision of December 1924, a sum of Rs.450-0-0 was allott for feeding during Shasti season (vide G.O.No.848-9/M.F.192-23-10 --- dated 10th December 1924). According to the order of 14th April 1928 except a sum of Rs.180/-, the balance of Rs.864/- has been drawn and credited to the chattram savings Fund for the year 1928-29. The --- result of the recommendation made above will be that a sum of Rs.312/- will be debitable to the Chattram Savings Fund. As an additional grant of Rs.1500/- for from the above Fund has recently been sanctioned for the Barahazar Santarpane, I am of opinion that the charges on accou of feeding at Bisle which may be limited to Rs.350/- per annum should appropriately be met from the above allotment - I solicit the favour o early orders on these proposals.

4. The connected file of vernacular papers together with a peition

received from Mr, Malali Venkataramiah of Sakalespur is sent for --- reference and kind return.

Subject: Re. continuance of feeding at Bisle Chattram during - Champashasti.

With reference to your memo No.D2-Dis.818/27-28 dated 2nd April 1928, on the above subject, I have the honor to forward herewith the report of the Sub Division Officer, Saklespur with the connected records.

From the report of the Sub Division Officer, it will be seen that the continuance of the arrangements at Bisle for feeding ------ pilgrims going to Subramanya for the Champasasti Festival is highly - necessary.

It is reported that beyond Saklespur no feeding facilities - exist even on payment. It is also reported that Bisle is a very small village in the midst of a State Forest and that there are no buildings by the Road side except the Chattram and a toll gate.

As regards the grant for the Anjaneya temple in the Chattram it is reported that in consideration of the wholesome influence and -- sanctity of a religious institutions, in those parts and the -- sparsity of such institutions the temple may be continued as a --- Muzrai institution. The temple has no lands, and pending proposals for the grant of Inam lands, the Sub Division Officer reports that the small item of expenditure of Rs.15/- per month on account of pay and deeparadhane charges may be continued, as the worship is being conducted regularly.

As it is reported that there is no other resting place for - pilgrims or travellers beyond Hethur right up to the Subramanya -- Frontier for a distance of nearly 36 miles, the chattram building at Bisle may be continued as a Muzrai Rest House, and attached to the Anjaneya temple, which is proposed to be made a Muzrai Institution and the caretaker on Rs.10/- per month may also be continued to look after the commodious chattram building and the vessels therein.

It is further reported that the feeding at Bisle is in force from time immemorial and that it is not confined to any particular class of pilgrims, and the arrangements which are intended for the facility of old, infirm and needy travellers who from a large proportion of the pilgrims to Subramanya and to whom the quick transit by bus service is not available, may be continued in the special - circumstances of the case. However, as opined by the Sub Division

Officer, the expenditure for feeding may be limited to Rs.350/- the arrangements being confined to needy travellers only.

As the Shasti Jatra is fast approaching early sanction is requested."
